

Grading Period I Upcoming Schedule and Notes

2017-18 School Year: We have had a spectacular start to the school year. Our entire POGC family has been in the greatest of spirits, have had the best attitudes and I know we are going to have a fabulous year! God has Blessed this school every year, but this year has a certain feel to it that tells me we are going to do great things—for Him, with Him, and through Him.

With that said, we do have some bumps in the road to overcome. For example, due to an unforeseen situation, our ordering process was delayed this summer and are still waiting on items we ordered: tables, chairs, whiteboards, etc. Also, our newest Kindergarten portable was delayed for permits and power and started the year under construction. We only ask for patience and understanding while we work these issues out; most of these problems will be fixed within the week.

Chapel: POGC Chapels are open to our entire school family: parents, grandparents, aunts, uncles, cousins, etc. Chapel starts on the dates indicated, at exactly 8:10. REMEMBER: STUDENTS ARE REQUIRED TO WEAR POGC DRESS CODE ON CHAPEL DAYS.

Solar Eclipse: POGC has decided it will be in the best interest of our student's safety to dismiss early on the day of the solar eclipse. The school will dismiss at 12:00 on August 21st with no after school activities. We understand this may inconvenience some parents regarding child care. However, only seconds of improper exposure can permanently damage a student's eyesight, and with a 3-hour window of eclipse time, it is safest for students to be home during this historic event.

Communication: I have a 100% open-door policy and want all POGC family member to know I am here for any problems, questions, or issues. I do ask, though, for classroom concerns and such, please try and work with the appropriate teacher first. We often find many issues and problems can be resolved at the lowest level.
