

Grading Period I

Amended Upcoming Schedule and Notes

Irma: It goes without saying, the Big Bend of Florida was blessed when we were spared the worst of Hurricane Irma. Unfortunately, much of our beloved state did not share in that blessing. We need to continue to pray for those areas which were ravaged by the storm. We also need to continue to be mindful of ways we can help in their recovery efforts; POGC will take part in any relief efforts/fundraisers/food drives we reasonably can. If your Church or non-profit organization is taking part in relief efforts, please let school administration know and we will advertise and do what we can to assist.

Changes: With an unexpected week off from school, we obviously need to make some adjustments to our schedule. All we ask from our school family is, patience and understanding as we get ourselves going again. We have modified the upcoming events schedule to reflect the latest changes. Please understand, for the next 2-3 weeks, we need to be flexible as some of the events may need further adjusting.

Picture Day: Picture day (Sept 27th) does not require students to be in POGC uniform. This is a Chapel day, but the uniform requirement will be waived for this day. Nevertheless, the decency/Christian-school appropriate requirements of our dress code still apply.

UPCOMING SCHEDULE (Items in shaded boxes are changed dates):
