2024-2025 Enrollment: As of March 1, 2024, POGC's open enrollment season began. This means that any class seats not already reserved for returning students are available to the public, and we will use our wait lists to fill these spots. Currently enrolled students who did not return their re-enrollment packets by February 29, 2024, are automatically placed on our wait lists. Enrollment decisions to fill any open spots for the upcoming school year will begin in June 2024.

Communication: Dr. Johnson and I have a 100% open-door policy and want all POGC family members to know we are here for any problems, questions, or issues. We do ask that parents first try to resolve classroom issues with the applicable teacher. If you are unsatisfied with the teacher's response or feel the issue is unresolved, don't hesitate to get in touch with us: school office 850-584-5445 / rmaubach@pointofgracechristian.com / bjohnson@pointofgracechristian.com / MySchoolWorx message.

Thank you and God Bless,

RANDY D. MAUBACH
Point of Grace Christian
